The Pram

Putting the magic back into street theatre.

Charmingly old fashioned and surprisingly flung into the wrong era, Victorian Nursie proudly presents her curiously charming puppet twins: Tweedle Dum and Tweedle Dee on the mini stage that is created by her authentic Victorian pram. The cheekiest of puppets miraculously come to life to intrigue and delight their audiences whilst inviting them in to their nostalgic world.

An act suited to all the family! (and upon request can also be tailored to suit only adult audiences when the babies banter takes on a somewhat adult/naughty turn.) A puppeteer is expertly concealed within the pram's wheel base and captivatingly provides fully animated and interactive baby banter. A two person act set to warm your cockles with its curious charm and nostalgic air.
