# Roller Skating Illuminated Presents

Two elegant and beautifully illuminated twinkling white presents, skilfully glide their way through the busy crowds. Eye catching and mesmerising, these extraordinary, authentic and delightfully vintage presents look like they have appeared from nowhere and can disappear again in a flash. They are guaranteed to light up the faces of your expectant guests with their oversized glowing bows and love to surprise children with a pirouette and a squeal of excitement.

Perfect for light switch ons, late night Christmas shopping and for lighting up any night time event. A mesmerising and festive duet of lights, magic and gliding glamour.

Cirq Delight have been performing walkabout internationally since 2005 and for a vast range of companies, themed events, charities, marketing campaigns, festivals and private functions. Their professionalism and unique style and skill base is what makes them stand out.

## **Performance & Terrain**

Our day rate covers 3x30mins or 2x45`s. You can however book an extra slot for an add on fee. This act mingles with the audience and does not need a marked off area or a stage.

As the The Presents are on roller skates its essential that the terrain is not mud, grass, steep, steps, gravel or wet. They perform best on flat surfaces. They can however manage a few steps if needed.

## **Fee**

Please get in touch to discuss our day-rate. We also require return travel from Bristol and where necessary accommodation, parking, tolls, congestion charge and per diems.

## **Backstage & hospitality**

Parking for one car and one changing room is required, including drinking water and toilet facilities. The changing room should be warm, secure, private, close to the performance area and with enough room for the 2 performers to get changed and warm-up prior to the show(s). If overnight stays are necessary, two single or one twin room will be required, please check prior to booking ideally in a hotel/ B&B providing Parking and breakfast.

## **Bad weather**

The show cannot be performed in rain or snow. However, The Presents have not yet been unable to perform due to bad weather, and are more than happy to negotiate show times/venues to accommodate. will happily do so for an extra fee. Please get in touch to discuss.

## **Flying the show**

The show requires two large hold cases {weights and dimensions upon request.}

## **Insurance**

All performers have public liability insurance of £10m through Equity and FirstAct.
