## **Fee**

Please get in touch to discuss our fee plus return travel from Bristol at 40ppm, and where necessary accommodation, parking, congestion charges and tolls.

## **Performance area**

Can be performed above a stage, dance floor or from an outdoor rig if provided by the client.

## **Staged performances**

This act needs two load tested rigging points that are at least 2.5 meters apart, have height of at least 5 meters and have a clearance area of at least 3 meters per performer.

## **Rigging**

Rigging can be provided by the performers if there is roof access or if a ladder can be provided by the client/venue that is long enough to reach the rigging points. If rigging can only be accessible with a cherry picker 1 rigger will be required for a day rate of £300 for a 10 hour day plus overtime at £30ph and return travel at 40ppm from Bristol. If a belay system is required, 2 riggers will be needed for the above fees.

## **Performance**

Can be performed as a solo or a duo. The act is approx. 5 minutes long

## **Backstage & hospitality**

Parking for one car and one changing room is required for the performers, including drinking water and toilet facilities. The changing room should be warm, secure and private with enough room for the 2 performers to get changed and warm-up prior to the show(s). If overnight stays are necessary, two single or one twin room will be required, {depending on who will be performing the act, please check in advance} ideally in a hotel/ B&B providing Parking and breakfast.

## **Bad weather**

The show cannot be performed in rain, strong winds, snow or cold temperatures .

## **Flying the show**

The show requires one hold case

## **Insurance**

All performers have public liability insurance of £10m through Equity and First Act.
